KIRIGAMI SESSION

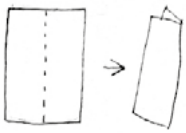
Our virtual Artroom Sessions have got off to a great start. Last week we tried out some Kirigami – cutting and folding paper, with some really great creations from people. It was great to meet some new faces, get creative and have a good chat!

We will be back again next week for our third Virtual Artroom Meetup on Wednesday 23rd December at 1.30pm to 2.30pm. We will take a wee break on the 30th of December and back again on the 6th January for paper weaving.

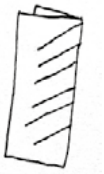
Find out more on our social media and via Eventbrite.

KIRIGAMI

1. Fold in half.



2. Cut 6 diagonal lines on the folded paper.

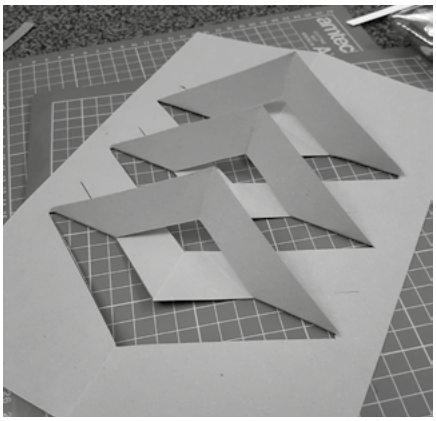


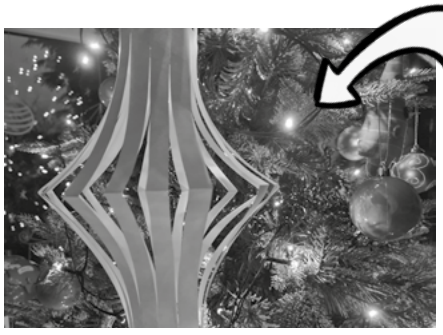
3. Unfolded paper will look like this.

4. Fold down the first piece. Fold the paper back on itself.

5. Fold every second piece.

6. Fold the last piece.





Join us next time to try your hand at making a paper lantern using a simple piece of paper.

Together we will create pieces of work alongside each other (virtually) and the artists will be on hand to offer support, advice and inspiration. We love to chat while we create work and we look forward to seeing you there!

Materials required: paper in a variety of colours, pens or pencils to make a design on your lantern, scissors and some tape.

HOW TO BOOK A VIRTUAL CREATIVE CONSULTATION/ARTROOM 1-2-1:

We can arrange virtual creative consultations with our Artroom artists via the virtual-patient-visiting app, or using your own device. These emulate the experience we would usually have in person, offering a friendly face, advice and creative support, as well as helping if you feel stuck as to where to start/where to go next.

Art packs can be dropped off before the session and are filled with a selection of materials to use during the session and for you to keep for future creative endeavours. Bespoke materials can be arranged if there is anything specific that you'd like to try.
