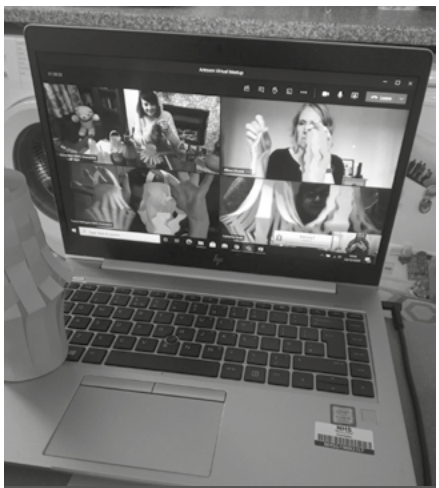
ISSUE #3

LANTERN MAKING SESSION

For the last week in 2020 we tried out lantern making in our Virtual Artroom Meetup. The simple cuts in the paper made for some really intricate designs!

The first meetup of the year was on the 6th of January, exploring more simple creative ways of working with folding and cutting papers. We are now back to running weekly, and look forward to inviting you along! Our next Virtual Artroom Meetup will be on Wednesday 13th January from 1.30pm to 2.30pm.

Find out more on our social media and via Eventbrite.



Please contact us to arrange your own Virtual Artroom Meet-up:

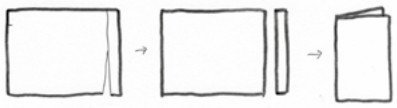
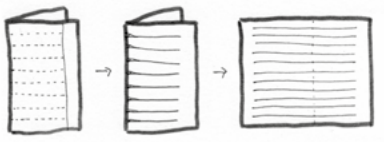
yvette.bathgate@nhs.scot

HOW TO MAKE A PAPER LANTERN

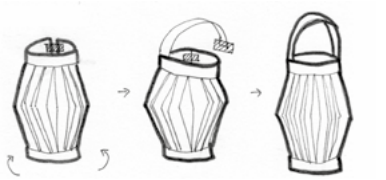
1. Cut a thin section from the edge of the paper and keep aside for later. Fold large piece in half



2. Cut strips to around 1cm away from the edge, starting the cut from the folded side. When unfolded it should have cuts in lines across the center of the page without breaking the outer edge of the sheet.



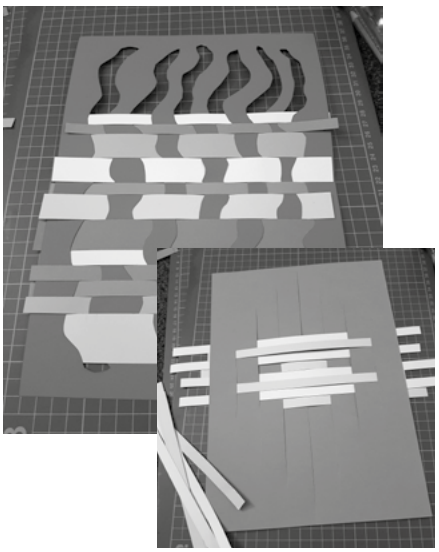
3. Flip the paper so that cuts are vertical and pull edges round so that they meet. Secure with tape. Use slither of paper cut off at the beginning to create a handle and attach with tape.



OPEN TO ALL: Join us next time to try your hand at paper weaving.

Together we will create pieces of work alongside each other (virtually) and the artists will be on hand to offer support, advice and inspiration. We love to chat while we create work and we look forward to seeing you there!

Materials required: paper in a variety of colours, pens or pencils if you wish to make a design on your paper, scissors.



HOW TO BOOK A VIRTUAL CREATIVE CONSULTATION/ ARTROOM 1-2-1:

We can arrange virtual creative consultations with our Artroom artists via the virtual-patient-visiting app, or using your own device. These emulate the experience we would usually have in person, offering a friendly face, advice and creative support, as well as helping if you feel stuck as to where to start/where to go next.

Art packs can be dropped off before the session and are filled with a selection of materials to use during the session and for you to keep for future creative endeavours. Bespoke materials can be arranged if there is anything specific that you'd like to try.
