PAPER WEAVING SESSION

Last week we all came together to try some paper weaving – with some really colourful and fun results! It was lovely to catch up and work alongside (virtually) one another. Even Anna's youngest daughter couldn't resist joining us and having a go!

Our next Virtual Artroom Meetup will be on Wednesday the 20th of January and we look forward to welcoming you along! We are now back to running weekly, on Wednesday afternoons 1.30pm to 2.30pm. **Find out more on our social media and via Eventbrite**.

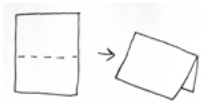
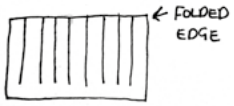
HOW TO MAKE A PAPER WEAVE

1. Fold in half.

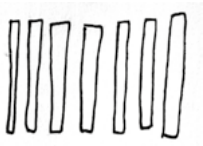


2. Cut vertical lines on the folded paper.



3. Unfolded paper will look like this.

4. Use another piece of paper to cut lots of strips.



5. Weave the strips of paper through your paper loom.

"Thank you for letting me know about the Artroom Session. It was fun!" -Catherine, 13th Jan Participant

OPEN TO ALL: Join us next time to try your hand at creating your own sketchbook from a single piece of paper.

You can use old scraps lying around, that you don't need anymore, or any paper of your choice. Together we will create a sketchbook (or multiple if you have lots of paper to hand) and we can work alongside each other (virtually) filling it with drawings, stories, doodles ...anything you like! The artists will be available to offer artistic advice and inspiration, and we love to have a chat while we create!

List of materials: - Paper that can be folded and ripped/cut - Pens, pencils, paint – anything you'd like to use to fill the pages

HOW TO BOOK A VIRTUAL CREATIVE CONSULTATION/ ARTROOM 1-2-1:

We can arrange virtual creative consultations with our Artroom artists via the virtual-patient-visiting app, or using your own device. These emulate the experience we would usually have in person, offering a friendly face, advice and creative support, as well as helping if you feel stuck as to where to start/where to go next.

Art packs can be dropped off before the session and are filled with a selection of materials to use during the session and for you to keep for future creative endeavours. Bespoke materials can be arranged if there is anything specific that you'd like to try.
