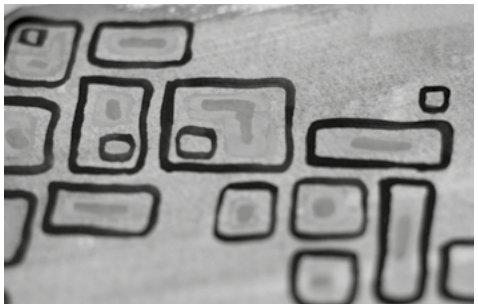
ZINE #17

OUR WEEKLY ARTROOM VIRTUAL SESSIONS ARE EVERY WEDNESDAY 1.30PM TO 2.30PM. THEY ARE FREE AND OPEN TO ALL.



In our latest **VIRTUAL SESSION**, we drew alongside each other, showed what we had been working on through the week and had a good natter along the way. These sessions are tailored by those that join so you can do anything you like during the hour. In the latest session, some participants showed us how they had used their origami creations from the previous week to build a tail for a colourful homemade kite. Within each origami piece are hidden handwritten quotes. The kite is being flown for the first-time next week and we can't wait to see pictures!

Others in the session tried out abstract painting, printmaking and some drew beautiful butterflies inspired by the coming of Spring. We also had a colourful dinosaur!

HOW TO BOOK A VIRTUAL CREATIVE CONSULTATION/ ARTROOM 1-2-1:

We can arrange virtual creative consultations with our Artroom artists via Virtual Patient Visiting, or using your own device. These emulate the experience we would usually have in person, offering a friendly face, advice and creative support, as well as helping if you feel stuck as to where to start/where to go next.

Our next session is on Wednesday the 21st April. All you need is something to draw on, and any pens, pencils or paints you have with you. No previous art experience is necessary. Just bring yourself, have a blether and see what you think. We would love to see you there.

If you would like to join a session, you can find out more on our social media or via Eventbrite, or feel free to send us an email. If there is something new you would like to try out but don't know where to start then get in touch!

ART PACKS can be dropped off before the session and are filled with a selection of materials to use during the session and for you to keep for future creative endeavours. Bespoke materials can be arranged if there is anything specific that you'd like to try.
