GRAMPIAN HOSPITALS ART TRUST

ZINE #20

In our latest **VIRTUAL SESSION**, we drew, painted and built paper sculptures alongside each other. We showed what we had been working on through the week and had a good natter along the way. These sessions are tailored by those that join so you can do anything you like during the hour. In the latest session, we had people join from around the world and the theme of drawing the flowers blooming in our regions carried on from last week. Artist Yvette brought a beautiful bunch of tulips which were used as a still life from across the world as participants were inspired to recreate them in watercolours.

OUR WEEKLY ARTROOM VIRTUAL SESSIONS ARE EVERY WEDNESDAY 1.30PM TO 2.30PM. THEY ARE FREE AND OPEN TO ALL.

Our next session is on Wednesday the 12th May. All you need is something to draw on, and any pens, pencils or paints you have with you. No previous art experience is necessary. Just bring yourself, have a blether and see what you think. We would love to see you there.

If you would like to join a session, you can find out more on our social media or via Eventbrite, or feel free to send us an email. If there is something new you would like to try out but don't know where to start then get in touch!

WHAT'S NEW IN ARTROOM?

Our weekly virtual Artroom meetup continues to run with regular attendees. Working remotely has allowed us to open the session to a wider group of people and as such we have regular participants from around the world. Recently, as well as comparing local flowers, we compared local delicacies. A participant from America showed us the mouthwatering biscuits she makes using her grandmother's recipe – complete with chocolate gravy! It was fun to compare sweets and confectionery as we drew and painted.

ART PACKS can be dropped off before the session and are filled with a selection of materials to use during the session and for you to keep for future creative endeavours. Bespoke materials can be arranged if there is anything specific that you'd like to try.

HOW TO BOOK A VIRTUAL CREATIVE CONSULTATION/ ARTROOM 1-2-1:

We can arrange virtual creative consultations with our Artroom artists via Virtual Patient Visiting, or using your own device. These emulate the experience we would usually have in person, offering a friendly face, advice and creative support, as well as helping if you feel stuck as to where to start/where to go next.
