OUR WEEKLY ARTROOM VIRTUAL SESSIONS ARE EVERY WEDNESDAY 1.30PM TO 2.30PM. THEY ARE FREE AND OPEN TO ALL.

In our latest **VIRTUAL SESSION**, we drew and painted alongside each other. We showed what we had been working on through the week and had a good natter along the way. These sessions are tailored by those that join so you can do anything you like during the hour. In the latest session, we had people join from around the world and were delighted to welcome some new faces. One participant worked away on an illustration for a children's book, and we are really excited to see more!

Our next session is on Wednesday the 19th May. All you need is something to draw on, and any pens, pencils or paints you have with you. No previous art experience is necessary. Just bring yourself, have a blether and see what you think. We would love to see you there.

If you would like to join a session, you can find out more on our social media or via Eventbrite, or feel free to send us an email. If there is something new you would like to try out but don't know where to start then get in touch!

DROP US AN EMAIL TO JOIN A SESSION OR LET US KNOW HOW WE'RE DOING.

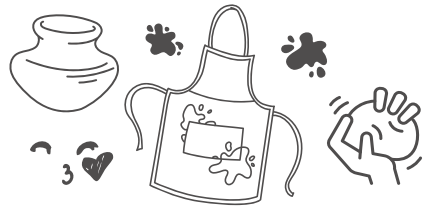
HOW TO BOOK A VIRTUAL CREATIVE CONSULTATION/ ARTROOM 1-2-1:

We can arrange virtual creative consultations with our Artroom artists via Virtual Patient Visiting, or using your own device. These emulate the experience we would usually have in person, offering a friendly face, advice and creative support, as well as helping if you feel stuck as to where to start/where to go next.

WHAT'S NEW IN ARTROOM?



By popular demand, we have an order of potter's clay arriving – soon to be available as part of our **ART PACKS!** Up until now we have been using air dry clay with some beautiful results. Now, we will be trialing firing and glazing clay in a local kiln, so pieces you make can be more durable. If you would be interested in having a go – please get in touch with our artists.

ART PACKS can be dropped off before the session and are filled with a selection of materials to use during the session and for you to keep for future creative endeavours. Bespoke materials can be arranged if there is anything specific that you'd like to try.
