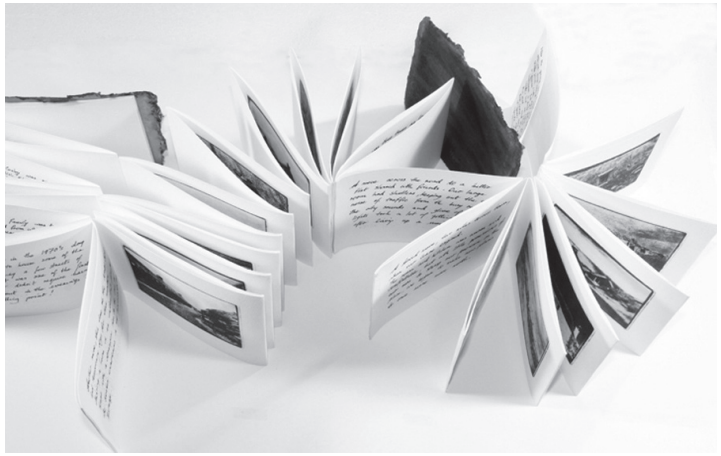
WEEKLY INSPIRATION CORNER
ANNE CAMPBELL' BOOKS

After last weeks activity of making a zine, we would like to show local photographer, Anne Campbells handmade books.

She uses a variety of techniques, particularly Lith chemistry, Mordancage, Bromoil, Infrared and Pinhole, to produce evocative photographs with great depth and texture.

Her recent work explores the landscape of the Highlands and Islands of Scotland, images which she is also currently combining with text in a series of original handmade books.

HAVING WORKED AS A PHOTOGRAPHER FOR OVER 20 YEARS, ANNE'S PHOTOGRAPHY SPECIALISES IN TRADITIONAL AND EXPERIMENTAL DARKROOM PROCESSES TO CREATE UNIQUE, ORIGINAL IMAGES.



"I love books and have to actively stop myself from hanging out in bookshops all day, especially when money is tight. Recently I have been combining words and images in a series of handmade books."

VIRTUAL ARTROOM MEET-UPS *TIME AND PLATFORM CHANGE*

We will be back next week using a different platform, NHS Scotland VCS. We will also slightly change the time from 1.30pm to 1pm, giving us a bit of extra time in the afternoons for more Artroom sessions working with the wards. We looking forward to seeing you again then!

TO JOIN US NEXT WEEK BETWEEN 1-2PM DROP US AN EMAIL AND WE'LL SEND YOU THE DETAILS TO JOIN.

All you need is something to draw on, and any pens, pencils or paints you have with you. No previous art experience is necessary. Just bring yourself, have a blether and see what you think. We would love to see you there.

If you would like to join a session, you can find out more on our social media, or feel free to send us an email. If there is something new you would like to try out but don't know where to start then get in touch!

WHAT'S NEW IN ARTROOM?

We finished packing up some collage, clay and printmaking packs that will be going out to wards on a trial period very soon. We are looking forward to these reaching you!

This week we have been planning for some exciting things coming up. Keep your eyes peeled for a block of in-person artroom sessions coming soon!

HOW TO BOOK A VIRTUAL CREATIVE CONSULTATION/ ARTROOM 1-2-1:

We can arrange virtual creative consultations with our Artroom artists via Virtual Patient Visiting, or using your own device. These emulate the experience we would usually have in person, offering a friendly face, advice and creative support, as well as helping if you feel stuck as to where to start/where to go next.

ART PACKS can be dropped off before the session and are filled with a selection of materials to use during the session and for you to keep for future creative endeavours. Bespoke materials can be arranged if there is anything specific that you'd like to try.
