WEEKLY INSPIRATION CORNER

HOCKNEY'S PICTURES

This week we wanted to share with you one of our favourite books in Artroom called *Hockney's Pictures*.

This beautiful book is often a go to for us during an Artoom session as it is brimming with colourful artworks, covering all media over almost fifty years. From paintings and drawings to watercolours, prints and photography, it is an exciting look at the diverse work Hockney has created. It also includes great quotes from the artist and people often find something in the book that inspires them.

VIRTUAL ARTROOM MEET-UP

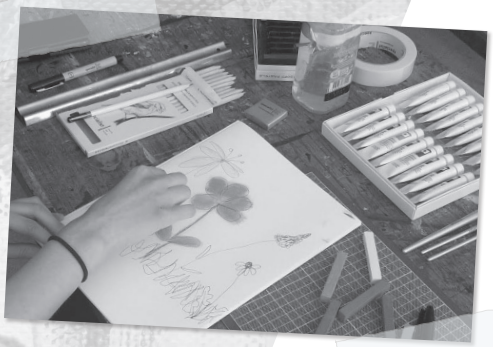
This week in the Virtual Artroom meetup one participant joined us during their trip to the DIY store! They picked up some sandpaper and it was fun to see them try out using pastels with it. The animal theme continued into this week as some people chose to draw their favourite animals – including a very sweet pastel hedgehog. It was also lovely to have people's real life pets join, including a small sausage dog and a very cheeky cat!

TO JOIN US NEXT WEEK BETWEEN 1-2PM DROP US AN EMAIL AND WE'LL SEND YOU THE DETAILS TO JOIN.

All you need is something to draw on, and any pens, pencils or paints you have with you. No previous art experience is necessary. Just bring yourself, have a blether and see what you think. We would love to see you there.

If you would like to join a session, you can find out more on our social media, or feel free to send us an email. If there is something new you would like to try out but don't know where to start then get in touch!

WHAT'S NEW IN ARTROOM?



We are excited to be working on putting on a block of 12 in person Art Sessions coming up next month in the beautiful grounds of Bonnymuir green. We will be teaming up with Healthy Minds, and can't wait to get people together and see what exciting Artwork is created.

HOW TO BOOK A VIRTUAL CREATIVE CONSULTATION/ ARTROOM 1-2-1:

We can arrange virtual creative consultations with our Artroom artists via Virtual Patient Visiting, or using your own device. These emulate the experience we would usually have in person, offering a friendly face, advice and creative support, as well as helping if you feel stuck as to where to start/where to go next.

ART PACKS can be dropped off before the session and are filled with a selection of materials to use during the session and for you to keep for future creative endeavours. Bespoke materials can be arranged if there is anything specific that you'd like to try.

Please contact us to arrange your own Virtual Artroom Meet-up:
